What is Project Baby?

Project Baby Springfield (PBS) is committed to making Springfield a community where all are informed and engaged in everyday practices that lead to healthy babies, healthy mothers, and healthy families. At PBS, we believe that every baby deserves a great beginning!

Our Goals

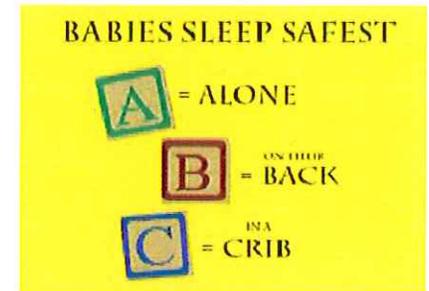

- Reduce the number of infant deaths in Springfield.
- Bring education and awareness to mothers, fathers, siblings, grandparents, and caregivers about healthy pregnancies and safe infant sleep.
- Ensure that all mothers, regardless of race, ethnicity, age, or income level can access excellent pre- and post-natal care.
- Work with all health care and social service entities to provide culturally and linguistically competent services.

Contact Us!

Contact us if you are interested in:

- A free informational training session on safe infant sleep presented by a PBS team member.
- Becoming a member of our Community Advisory Board. Your voice matters so please contact us to get involved!
- Creating a partnership between PBS and your organization.

Our Partners

PBS is a part of the Springfield Department of Health and Human Services and its Maternal Child Health Commission. We have members from the following institutions, organizations, and agencies: Mason Square Community Health Center, Family Life Center for Maternity Mercy Medical Center, MercyCare Prenatal Centers in Holyoke and Forest Park, MA Department of Public Health, MA Department of Early Education and Care, MA SIDS Center, March of Dimes, Safe Kids of Western Mass, Tapestry Health, Springfield College (Social Work), UMass (Anthropology), Westfield State University (Ethnic & Gender Studies), and Springfield's early intervention agencies.
